- + Educational Philosophies
- + English Language Testing
- + Teacher Development

See the link below for the full schedule.

## DATE:

Saturday, January 22nd, 2022

## TIME:

13:00 to 18:00

## PLACE:

Online via Zoom

## Invited Speakers

EFL Teacher Development  
through Collaborative Action  
Research Projects

**Professor Kazuyoshi Sato**

Department of English Language Teaching, NUFS

Balancing Theory and  
Practice in Developing Your  
Materials

**Professor Brian Cullen**

Nagoya Institute of Technology

The symposium is a chance for teachers, trainee teachers and researchers involved in language education to share their research, ideas, activities and opinions related to the position. In addition, it is an excellent opportunity to meet fellow teachers.

The symposium is **free for all**.
